Fares can be calculated for other non-listed locations based on the following formula:

**Mileage between start and end point *
\$0.25 = FARE COST (rounded up to nearest whole dollar)**

Please ensure you bring the exact fare in cash or have a check made out for the exact fare amount.

Our drivers do not carry petty cash for change and do not have means to accept debit or credit cards. Exact Cash or a Check must be used.

Checks should be made out to "ECCOG"
